OUR CIRCULATION. WE mean to keep the following paragraph standing for the benefit of all whom it may concern: ADVERTISING. - We would commend the following facts to the attention of the advertising community. The "Wilmington Journal" circulates upwards of one Hanover House, on Front street, where he will be The "Wilmington Journal Circulation in the town of prepared to receive those who may favor him with lished in the place. We would further state that its sirculation in the counties which trade to this place is THRES TIMES as large as that of any other paper published in North Carolina, and that its list is daily increasing. We say, therefore, without the fear of contradiction, that it is the best vehicle for advertising which the people of Wilmington can select. One other observation We think, that although a large majority of the readers of the "Journal" are Democrats, still THEY occasionally do a little trading, as well as the readers of the whig papers. We have written the above merely for the infor-
